

## BECOME A MONTHLY SPONSOR

Originally started as a children's shelter in 2005, COLT has embraced a new approach where children are supported within their family or community. Our social workers have put in tremendous efforts to ensure many children are reintegrated in safe and stimulating environments, and support these children until they become independent, confident adults.

Today COLT is able to support children and their families on several levels thanks to passionate and dedicated staff as well as continuous support, trust and confidence from sponsors and volunteers.

In order to be able to keep providing essential support to the families that need it the most, COLT needs your help. **Become a monthly sponsor today.**

## CLASSROOM SPONSOR

Becoming a classroom sponsor ensures that every student at our community school gets a chance to thrive. More than 80 children attend daily English and computer lessons as well as extra-curricular activities at COLT. While learning new skills by qualified and caring teachers, the students also build confidence, creativity and social skills. As a classroom sponsor you support:

- Necessary teaching supplies and books
- Skilled full-time local teacher
- School kits (including school uniforms)
- Emotional and educational guidance
- Study trips

## HOME-BASED CARE SPONSOR

Some children and families receive additional support based on thorough family assessments and regular follow-ups by our qualified social workers. COLT aims to provide essential services like nutritious meals, hygiene kits, counseling and development planning in order to keep the children safe and healthy while empowering their families. As a home-based care sponsor you support:

- Lunch 6 days a week
- Hygiene kits (soap, towel, oral care)
- Rice parcels
- Emergency support
- Counseling and development planning with skilled social worker
- Medical and dental care

## SPORTS SPONSOR

By sponsoring COLT's sports program, you give children the opportunity to join organized team sports for the first time. The children are provided with football uniforms and shoes, and develop important skills like teamwork, commitment and confidence. Daily football practice at COLT's premises is lead by junior coaches, who receive training and guidance in addition to a monthly salary. As a sports sponsor you support:

- Junior staff training and salary
- Sports equipment
- Sports ground and equipment maintenance
- Snacks and ice for sports tournaments

## 'BRIDGE THE GAP' SPONSOR

By becoming a 'Bridge the Gap' sponsor, you help ensure our children become independent, confident adults after reintegration. Over the course of 2020, COLT will support 8 children throughout this phase, some of them living with loving families and finishing primary education, some finishing university and living in a student home, and others just starting their adventure, still figuring out what they want. No matter where they are on their journey, they all deserve a helping hand. As a 'bridge the gap' sponsor you support:

- Housing and living costs
- Education (school fees, uniforms and study materials)
- Family support

## DAYCARE SPONSOR

In our daycare, children between 2 and 6 years of age are provided with a safe and clean environment, healthy food, medical care and education. While the children are cared for by loving nannies, the parents follow a family development plan, created together with COLT's social workers, to empower them to break out of the poverty cycle. As a daycare sponsor you support:

- Skilled local nannies
- Breakfast, lunch and snacks
- Hygiene materials (toothbrush, soap)
- Blood tests and medical care
- Teaching and other essential supplies

## GREEN SPONSOR

Being located near one of Phnom Penh's largest dumpsites, it is our aim to educate our community on the negative effects of single-use plastic. We host regular workshops and community clean-ups, and encourage our students to reduce, reuse and recycle. In order to become more self-sustainable, we invest in fertile soil and seeds to be able to grow our own vegetables. By becoming a green sponsor, you help change habits that will lead to a greener future. As a green sponsor you support:

- Seeds, soil and maintenance of gardens
- Regular workshops (plastic use, nutrition)
- Reusable cups for students
- Bins and recycling station at COLT
- Garbage pick up twice/month

## ESSENTIALS SPONSOR

None of our achievements would have been possible without certain essentials. Daily running costs such as electricity, food and water make up a big part of our budget. Not to mention salaries for our local employees, whose hard work and passion is the very heart and soul of our community center. These costs are easily forgotten about, but without them our center wouldn't be running. As an essentials sponsor you support:

- Salary and training for local employees
- Water and electricity costs
- Rice and other ingredients for daily meals
